## Camden, Maine

DCJ

Any traveler down the Coast of Maine who doesn't plan a stop at Camden is missing one of the busiest, most interesting harbors in northern New England. Camden is within half a day's drive from here and a most welcome stop after driving through the demented in the journey through and around Boston. Our cover shows a little of the old Camden as a view

It is far more crowded than even Marion Harbor and is the homeport of a number of restored Maine schooners which have been converted to cruise ships for the barefoot passengers who like the comradeship and fun of working the ship along with the paid crew. Monday is the day to watch these craft fill up and embark on the week's adventure. The two sailing ships on page 2 are resting not 50 feet from the shore and are beached. At high tide they will have no problem at all in lifting off and starting out because they are centerboard ships. Farther out in the center of the harbor and at the pier are the keel-equipped ships.

it around, and push it zigzagging out to open water. At the channel, the sails rise, the small tug is pulled aboard and the week's trip under sail begins. The coast of Maine is unique in its islands, its cliffs, tall trees and fine harbors and one of the more scenic is Camden.

It is fascinating to watch these great old boats put to sea. The harbor is so jammed that it would be impractical to expect that they could maneuver through under sail (most have no engine), so they launch a 12 foot tender equipped with a small diesel and these tiny geared-down boats take the ship out, turn

the ORR School District. The second article will ask the voters to accept the donation of an anonymous gift from one of Mattapoisett's long-time summer residents in the amount of $13,912. to be used to pay the balance of the repair of the roof.

The third article will seek to amend the original ORR District School agreement by revising the capital expenditure formula of Mattapoisett, Marion and Rochester. (This same article worded for the other two towns must be approved by their voters in order for the revision to become effective.)

The fourth article will ask voters to authorize the Board of Selectmen to seek funding for repairing the entire roof of the senior high school, either by bond issue or other means; a provision will be asked that the amount be inserted at the special town meeting. This article also has to be voted favorably in both Marion and Rochester, as well as Mattapoisett.

Another article will seek to have the Town accept a state law to become effective in October that will allow the establishment of an "Enterprise Account". Selectmen will ask it be applied to the Water Department with funds to be derived from water bills. Town Counsel Donald J. Fleming explained, "Historically, there has been an account termed a Revolving Fund and, if the funds weren't used they were returned to the town's General Revenue Account. With the new law this fund will be allowed to remain on the town's books for a specific purpose and to be added to from time to time."

Additional articles will ask voters to accept the anonymous donation of $42,000 for the purpose of purchasing

At last week's Selectmen's meeting, Selectman James Huntoon noted the wording of Old Colony Regional Vocational High School's agreement is more up-to-date (about 10 years) versus ORR's, which is 26 years old. Selectmen agreed to review the Old Colony agreement as it pertains to capital expenditures' apportionment to its member towns.

The Board invited Mattapoisett's representatives to the ORR School District Committee to meet with them next week to get their input on a new formula.

In other business, Selectmen:

MET JOINTLY with Fire Chief Donald C. Wood, Fire Alarm Superintendent Paul M. Kelley and Firefighter Donald Linhares to discuss the refusal of the fire chief to pay three firefighters for attending a CPR Course without his permission or the permission of the person he left in charge while he was on vacation.

The problem stemmed from a previous meeting when Chief Wood met with Selectmen and said Captain Ronald Scott, who was on duty during the chief's vacation, gave permission to attend the class. The chief told Selectmen he refused to pay for the class hours and the books, as Scott did not have

the authority to grant the permission.

Chief Wood said to Linhares last week, "You should have waited for the next class. When I went on vacation, I left Deputy Chief Walter Morgado in charge of making policy (however, Morgado was unavailable at the time in question) and Capt. Scott was left in charge during the day to handle any emergency with the Police Department and not to make policy decisions."

Linhares informed the Board last week saying the notice of the course came on the same day it was to start, and, as the Chief was on vacation, he went to the duty officer (Captain Scott) and asked permission, and it was granted. Linhares stressed the Fire Department cannot give a re-certification for instruction in town and he felt it was important to attend.

Linhares explained he has been teaching a CPR course in town since 1977, and "I don't feel we should lose it. In 1979, as representatives of the Fire Department, we taught about 300 lay people at ORR High School. In 1985 the Chief had

to have men who had First Responder training. The Chief agreed to pay for the training and instruction books. The course was geared for firefighters and we made up lesson plans. I feel we should continue to teach through the Fire Department. We didn't just decide to be teachers; this has been going on for quite a while."

Additionally, Linhares issued a complaint that the pay for classes is half the pay for responding to fires, and the men feel the time spent is an asset to the department and should be paid at the same full rate of pay ($7.45 per hour).

Also, Linhares noted, "Many men have not been paid their wages as yet. Many of them put in a full day's work then get called out at night - they deserve to be paid on time." The Chief said, "There isn't any money." He added that after checking with the town accountant, "My department owes about $5,000 in wages because of a computer error from May 2 through June 30."

Fire Alarm Superintendent Paul Kelley said, "I've been to seven different schools and paid for one. I could have given classes. I informed the Chief, but when we disagreed on the classes, I said you're Chief, and I'll play by the rules."

Chief Wood told Selectmen some of his concerns are: "I don't have time

## Turn your home equity into cash for any good reason.

Your home is one of the biggest and best investment decisions you've ever made. As its value has increased in recent years, you've built up a substantial amount of equity. Now you can put that equity to good use with a Home Equity Loan or Line of Credit from Fairhaven Savings Bank.

With a Home Equity Loan, you get your money up-front, to use as you wish. With a Home Equity Line of Credit, you can access your money whenever you want, just by writing a check. No matter which account you choose, you'll pay a competitive interest rate.

In as little as 48 hours, we'll process your application for a loan or line of credit from $5,000 to $100,000 (or 75% of the assessed value of your home).

What's more, for a limited time, we'll waive all attorney, appraisal* and application fees for which other banks charge up to $300.

For real convenience, we'll automatically charge your monthly payments to either your Fairhaven Savings NOW Checking, Charter Account or Money Market Statement Account.

Let your house send your kid to college, buy you a boat, meet your needs and fulfill your dreams.

Call 1-999-7000 and ask about a Fairhaven Savings Home Equity Loan or Line of Credit. Or stop into one of our convenient banking centers today!

Kelley added that Wood needs to be a full-time Chief; "he can't do two jobs, as there is too much paper work." (The second job refers to Wood's job as Board of Health Agent.)

Selectman Frank Suzan recommended if the Chief is absent, only the Selectmen can give permission in unique situations. The Chief summed up the issue by saying, "There are some good things we've discussed here. I will review them and come up with some recommendations."

ANNOUNCED THE ACCEPTANCE of a donation of approximately nine acres of land off Mattapoisett Neck Road from an anonymous donor.

The notice came through Town Counsel Donald J. Fleming who will prepare the deed and an article for the Special Town Meeting to accept the donation if legal paper work is completed in time.

Fleming said the donor has placed absolutely no restrictions on use of the land; however, he noted, the land is mostly marsh land and cannot be developed. Counsel asked, "Do you want the property in the town's name or that of the Mattapoisett Land Trust; do you want to take it off the

HEARD from State Representative John Bradford regarding his support of legislation aimed at preventing insurance companies from cancelling a policy without good reason. The two bills are House Bill 134 and Senate Bill 776. Bradford noted in his letter, "Recently the town of Fairhaven had two of its insurance policies cancelled without warning or reason. It is possible that your town could face a similar situation when it comes time to renew your policies."

NOTED REPAIRS are underway to the clock in the tower of Center School. Following a safety inspection by Building Inspector David Crook, everything was satisfactory with the exception of the clock. The clock on the south side of the tower is slipping out of position and part of the support moldings have fallen to the ground. The clock on the north side has started to slip out of position and the supporting moldings are loose.

# It's about time that someone put TV in its place.

There's a time and a place for everything. At American Cablesystems we believe cable TV is a unique and valuable tool for childhood learning. So we're proud to present wholesome entertainment and fascinating documentaries as part of our regular programming.

We also know cable TV can't teach everything. Which is why we would like to suggest that, for one hour every day, you turn off the set and read to your children.

They'll learn much from the written word, and what's more, so will you. You'll learn that reading aloud brings you closer to your kids. And that, too, has its place.

anonymous donor of $13,000 toward the replacement of the high school boys' locker room roof:

Dear Friend:

All of us -- elected officials and concerned parents alike -- entered the High School cafeteria on August 27 feeling baffled and frustrated. We left it, after Mr. DeCosta's dramatic announcement, hopeful and eager to move forward. The faces and voices of your neighbors in Mattapoisett, Rochester and Marion expressed our thanks more clearly and eloquently than this letter can hope to do.

Your extraordinary generosity and community spirit have earned our sincere gratitude, and have given your own town cause for pride.

Thank you for enabling us to begin the replacement of our leaky roof without being forced to compromise the quality of the education that takes place under it.

Yours truly,
Kathleen Reis, Chairman

group's 1986-87 concert season. The Tri-County Symphonic Band (formerly the Regional Symphonic Band) is celebrating its 25th anniversary season with three exciting concerts at the Zeiterion Theater in New Bedford, the group's home since last season. Prior to the 1985-86 season, the band, led by Music Director John R. Pandolfi, was based at the Old Rochester Regional High School in Mattapoisett. The move to the Zeiterion Theatre has helped many New Bedford concert-goers discover this area's best kept musical secret.

Musicians from the Tri-County Symphonic Band include professionals and amateurs, teachers and students, all dedicated to providing enjoyment for their audiences through a wide variety of fine quality band literature. Students are important to the Tri-County Music Association, as scholarships are a high priority with the group. Since 1962, the Association has given over $35,000 to area students for studying music at the college level. Organizers are optimistic that the ongoing subscription drive, program advertising, and increased community awareness will enable them to continue the tradition of helping area music students.

Past audiences have come to ex-

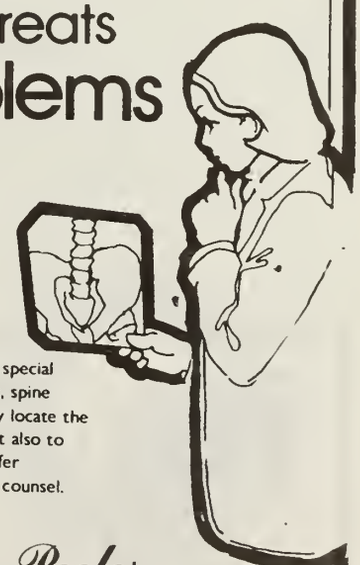
Here's how Chiropractic treats
**Back Problems**



Persistent or recurring aches in the lower back and limbs may suggest a possible lower spinal or pelvic problem. This often requires a structural correction of the cause in order to relieve the condition. Although drugs may hide the pain temporarily, the spine and sacroiliac must be aligned to their proper position for normal function.

The doctor of chiropractic has made a special study of conditions related to the sacroiliac, spine and nervous system. She seeks to not only locate the problem and give relief from symptoms, but also to correct the fundamental cause as well as offer preventive, rehabilitation, and maintenance counsel.

Recommendations will be made soon, so if you have an opinion, a like or dislike, please attend this meeting, phone chairman Tom Grondski at 758-6219, or write to P.O. Box 805, Mattapoisett. We would like to hear from you.

The playground committee would like to thank everyone who participated in their first fund-raiser, Miles of Pennies. We achieved our goal of stretching a whole mile of pennies from Center School to the Town Library, and were gratified at the town response. Special thanks go to Marty Griffiths and Gail McSwiggen who were committee co-chairmen for this event, and Tom Jackivicz for his help in measuring the course.

## Marion Art Center

CAST CALL FOR "DEADWOOD DICK"

Marion Art Center announces a cast call for "Deadwood Dick", a western melodrama to be produced in November. Tryouts will be held at the Center on Wednesday, September 10th, and Monday, September 15th, at 7:30 p.m. The play calls for heroes, heroines, saloon girls, villains and extras. Backstage workers are also needed. This old-fashioned "shoot-em-up" will be directed by Wendy Bidstrup. Call 748-1266 for more information.

PAINTING EXHIBIT

Recent paintings by Stephanie White will be on display at the Marion Art Center September 12 through October 1. Ms. White is a resident of Westport Point and received her B.F.A. from Southeastern Massachusetts University. She also studied at Massachusetts College of Art and the DeCordova Museum in Lincoln, MA. She has exhibited her work in several galleries throughout New England.

The mixed-media paintings on paper are abstract images from nature. They

are very expressionistic; full of energy and color. Picasso once said that there is no such thing as abstract art - "the essence of the image remains". This is the philosophy of Stephanie White's art, too. She finds her inspirations in many objects ranging from rocks, trees, to tiny chestnut casings. She also experiments with various mediums. Some of her current work uses bees-wax with powdered pigment.

Ms. White's studio is in a large commercial building in downtown New Bedford. The galleries at the Marion Art Center are open Tuesday through Friday 1 to 5 p.m., and Saturdays 10 a.m. to 2 p.m.

## Mattapoisett Council on Aging

SUCCESS!!!

We finally are able to report that the sidewalks all the way from Railroad Avenue to the Seaport Pharmacy are in reasonably good condition for walking. It has taken months of urging and follow-ups to produce this result. When the State repaved Route 6, cement sidewalks were installed on the north side of the highway, and stone and stonedust on the south side. Walking on the south side was not as good, but it was satisfactory, and saved crossing busy Route 6 for our Seniors, some six or so who live on that section of the street. When Commonwealth Gas installed their new gas line, except where they had to install hard-top, they simple threw their fill back over their pipes, and we were faced with a walk so uneven and stoney that it was dangerous for all pedestrians, especially Seniors, some

While two patches were done with stone dust instead of a combination of stone and stone dust as promised, at least the job has been completed, and we can relax with satisfaction with the result of our efforts.

May I compliment Carol Adams, Executive Secretary to the Selectmen, for her patient and persistent help in getting Commonwealth Gas to complete this job.

MATH COORDINATOR ATTENDS CONFERENCE

Mr. Dwayne Cameron, mathematics coordinator for the Old Rochester Regional School District, recently returned from Victoria, British Columbia, where he was an invited speaker at the Second International Conference on Teaching Statistics (ICOTS II). The conference was held at the University of Victoria with over 600 participants from around the world. The conference involved the teaching of statistics and probability at the secondary and university levels of the math-

Some of the countries represented included: Germany, England, Italy, Spain, Nigeria, Scotland, Austria, Hong Kong, Sweden, Israel, South Africa, Finland, Argentina, Denmark, Australia, Japan, Canada, Bulgaria, Brazil, Mexico, Hungary and the United States.

Mr. Cameron's presentation involved integrating probability and statistics into the already existing algebra curriculum by introducing typical algebraic topics via statistical exercises. Several areas involving geometric probability were illustrated through specific examples. In addition to the position of mathematics coordinator, Mr. Cameron is also varsity golf coach, chess team advisor, math team advisor, a member of the steering committee of the SMU Collaborative Project in Mathematics and Science, a member of the Steering Committee of Raytheon-Mass. Association of Mathematics League (MAML), a member of the Board of Directors of the Mass. across the large room it is a marvel that our calls get through as well as they do now.

The present exchange building is obviously not large enough, as the new addition being constructed at the Mechanic Street site will house more equipment to handle the normal growth being experienced in Mattapoisett.

Sandra Williams, manager of Public and Community Relations for the telephone company, said of the addition, "Because of growth in Mattapoisett, both residential and business, we need to make adjustments to our equipment - more lines are needed. This expansion will give residents more access when they pick up their phones."

Ms. Williams added, "We have had no complaints, but this will pave the way to continue to improve quality." She gave no target date for the operation of the expanded lines.

At a Board of Appeals hearing in March and an April 17 decision, the telephone company received a Special Permit and Variance on set-back requirements to construct the addition.

The 24 feet by 50 feet addition will house 1,250 square feet and is being constructed by John Folino's Cape Building Systems, Inc., with R. Scott Armbruster as construction supervisor. Armbruster said September 20 is the scheduled date for equipment to be in place, but not necessarily the operation date.

Walter Rocha, central office technician and manager of the Mattapoisett office, termed the addition a continued part of the normal growth to improve the service. He will have more lines to check and more sounds to listen to. But, it is assumed, you get used to the sounds after awhile, and you notice it more if it is quiet.

The Appeals Board required that a row of arborvitae, or other natural screening, be planted on the east side between the land of NET&T and the home of Victor Demski, 31 North Street.

Also required is that the portable diesel generator, to be located on the northeast side of the building, be screened by a stockade fence and

arborvitae-type plantings. The screening is to effect a camouflage of the generator so it will blend in with the residential character of the neighborhood. The generator is to be maintained with baffles and mufflers so as not to cause a nuisance to the neighbors.

When asked when Mattapoisett could expect automatic touch dialing, Ms. Williams said this question has been asked many times and, as of now, the target date is early 1990s.

She also noted that if any NET&T customer has a problem, she urges them to call repair service. "We are dedicated to quality service in Mattapoisett and need everyone's input to help keep it that way."

## Letter to the Editor

September 17 to 23rd is CONSTITUTION WEEK - proclaimed such by the President of the United States. Next year we will be celebrating the birthday of its 200th year and much more will be told at that time.

In 1787 leaders of the new country met at Independence Hall, Philadelphia and with George Washington as Chairman of the Convention (which was held in the same room where the Declaration of Independence had been adopted in 1776), James Madison (called the Father of the Constitution) and Benjamin Franklin (called the Sage of the Constitution) and 39 others worked 100 days to draft this precious document.

It starts off WE THE PEOPLE, declaring by what authority the United States of America is ruled. The three powers of Government - The Executive - the Presidency; the Legislative - the Congress - and the Judicial - the Supreme Court. It contains 2214 words, and the ten first amendments 2214 words.

Of the 55 men who were framers to some degree were officers in the Continental Army, one had been a British army officer before the Revolution, lawyers, merchants, planters, doctors, ministers, college professors and a college president. Benjamin Franklin represented the Fourth Estate.

Why not re-read it again - for it helps make us realize what profound wisdom was outlined to make and give us the best form of Government ever designed by the human mind.

## Rotch-Jones-Duff Museum

VARIED FALL PROGRAMS

During the months of September and October, several educational programs will be offered to the public that feature topics from turf grass to Victorian silver. Programs concerning the decorative arts are scheduled on Wednesdays; garden and landscape programs on Thursdays. Highlights of the Wednesday decorative arts program include a talk on collecting antiques by Henry Callan of Sandwich; and a talk concerning the investment in ship models by R. Michael Wall of the American Marine Model Gallery. Bob Cembrola of the Fall River Marine Museum will discuss the Titanic investigation.

The Thursday landscape program will feature talks concerning the growing of orchids, herb-wreath making, historic landscapes in New England, and turf grass. Speakers will include Mark Zelonis from Blithewold Arboretum in Bristol, Rhode Island, Ron Midgett of A & P Orchid in Swansea, D.W. Menard of Marion, and Paul Barratt of New Bedford.

All programs will be offered at the Rotch-Jones-Duff House and Garden Museum, located at 396 County Street in New Bedford, and are $5. per non-member, and $3. per member.

Music programs will be offered on Fridays during October at the House, and are free to the public. They are being sponsored by the Fairhaven Savings Bank.

For further information and details concerning the educational programs and concerts please call the Museum at 997-1401.

## Whaling Museum SEEKS VOLUNTEERS

This fall the New Bedford Whaling Museum, one of New England's most popular and well-known history museums, is looking for interested people to volunteer at the Museum. The Whaling Museum seeks people who are interested in the history and cultural heritage of New Bedford and in the legends and lore of the American whaling industry.

Volunteers at the Whaling Museum lead guided tours of the Museum's permanent and temporary exhibitions to youth and adult groups. In 1986 these exhibits included The New England Fisheries Urban Visions: The Paintings of Ralph Fasanella, and Buzzards Bay, with related programs offered free to volunteers. Volunteers man the exhibit galleries, providing onsite explanations of the exhibits to over 80,000 visitors an-

nually. They read and research logbooks in the Museum Library and speak to community and school groups.

The Museum is known for its grant-funded outreach program which is coordinated by volunteers. Lectures are offered on "Hetty Green, the Witch of Wall Street", on the "Arctic Exiles", the whaling wives who endured the Northwest Territory to be with their captain husbands; and on the rise and fall of New Bedford's fortunes.

This September, the Whaling Museum will offer a thirteen-week training course to future volunteers which includes lectures, talks and tours on New Bedford's commercial and cultural history.

Come join the hundreds of interested and interesting people who have taken the course and taken the time to volunteer at the New Bedford Whaling Museum.

Please call Mrs. Lois Murray at the Whaling Museum or write Mrs. Murray at the Whaling Museum, 18 Johnny Cake Hill, New Bedford, MA. 02740.

## SMU Family Day

A day for SMU parents and families has been planned to coincide with the Eisteddfod Folk Festival at Southeastern Massachusetts University September 27th. But special activities such as career and financial planning workshops, a sampling of classes, plus good food and a volleyball tournament are also slated.

The Saturday events begin at 9 a.m. with open house at the residence halls. SMU's president, Dr. John Brazil, will welcome parents and families at 10 a.m. in the main auditorium of the Campus Center.

From 10:30 to noon free workshops are planned in personal and career development and in financial aid. There will also be an open house in the Computer-Aided Engineering Laboratory which is part of the new Massachusetts Microelectronic Center.

A sampling of classes will be avail-

produce, cut flowers, herbs, home-baked goods, homemade fudge, a "treasures & trash" table, an antique quilt display, cheese wagon, a lunch & snack table, and country music performed live by "Open Land". Children's activities include a horse-drawn hay ride, face painting, and personal appearances by Peter Rabbit himself. A new feature of this year's market is an antiques appraisal table where, for a fee, your antique will be carefully appraised by expert Rosanna Cullity. All such fees will be donated to the Society.

Farmers' Market will come to a close at 3 p.m. with the drawing of the lucky winners in the Burgess Society Raffle. Raffle prizes include an original Ben Neill oil painting, a pineapple door hanging by wood carver Paul White, and a cord of wood for local delivery. Raffle tickets may be purchased throughout the day.

In the event of rain, Farmers' Market will be held on Sunday, September 22nd. For further information please call 888-6870.

## Gateway Players

Ibsen's Ghosts, produced September 19, 20, 26 and 27, is a must see according to critics. Ghosts is an excellent vehicle for students and scholars as well as informative for the average theater-goer. You can only blame yourself if you miss it!

For reservations call now: 295-6768.

Final performance of Mel Harold In Search of Poe is September 14 at 8 p.m.

A Taste of Honey has been a popular comedy selling out on Saturdays at Gateway Playhouse. Final performances are September 12 and 13.

ON GOLDEN POND COMING TO GATEWAY

Everyone loves ON GOLDEN POND, the popular Hepburn-Fonda film. Now here's your chance to take the family to a live performance of the moving play which topcasts Joyce Wirth, Larry Bennett, Sandee Freitas, Danny Bumpus and Paul Arthur Wirth, under Ron Bumpus' direction. Allow yourself time to order advance tickets. Performance dates are October 10, 11, 17, 18, 24, 25, 31 and November 1 at 8 p.m. Special group

**Thanksgiving is less than 3 months away ...**

Woven wood shades warm up this cozy kitchen. Roman style shades are by Kirsch.

I'm sorry to have to say so, but it's true. Now that the children are back in school (excuse me while I jump for joy) and summer is coming to a close, it's time to look ahead to the Holidays. Good redecorating takes time, it requires careful thought and planning so there won't be any last minute panic before rich Aunt Martha and her eighth husband arrive for turkey dinner.

We can help by providing a complete source of decorating options for you to choose from and, as always, free consultations.

AUTUMN EXPERIENCE II:
A COUNTRY FAIRE AT GATEWAY PLAYHOUSE

Reserve table space for flea market, arts and crafts, clothes, etc. as The Gateway Playhouse holds AUTUMN EXPERIENCE II in order to raise money for the non-profit, educational organization's restoration of chairs in the historic upstairs playhouse. The Gateway Players operate out of a landmark historical freight station and have been in operation since 1972. The playhouse opened in 1976. Restoration was due largely to funds from C.E.T.A. and the Town of Wareham who leases the playhouse to the Gateway Players. Tables for the October 17 and 18 two-day arts and crafts festival are $15. per day or $25.00 for both days. There will be entertainment, food, games, performances, all to help keep the playhouse looking in the shipshape historical state. Phone 295-6768 for space and information. The Gateway Players is a non-profit, federally tax-exempt, educational organization.

## Children's Museum

SEPTEMBER PROGRAMS

New programs being offered at the Children's Museum in the month of September are:

Sunday, September 14th - Clay Tile Mosaics, Part I, 2 to 4 p.m.

Sunday, September 21st - Clay Tile: Part II. Come and explore working with clay. Experience its texture and creative properties.

Part I will involve making clay tiles. The tile could tell a story or depict a scene or be purely a work of art.

Part II will involve painting the tiles and mounting them for display. Instructor is Karen Snyder, Art Educator. For ages 7 and up, the cost for the two sessions is $10. for members and $15. for non-members.

Saturday, September 27th - Make a Maraca. Make a traditional instrument; quite simple to make and fun to use. For ages 7 and up the cost is $3. for members and $4. for non-members.

ANNUAL ROAD RACE

The Children's Museum in South Dartmouth will hold its 3rd Annual 10 Kilometer Road Race and Fun Run on Sunday, September 28th, at the Museum. Runners and their families will be admitted free to the Museum the morning of the race. The Dartmouth Community Band will perform for your enjoyment at 3 p.m.

The 10 Kilometer Race, which proved to be a popular and well attended event last year, will begin at 11:00 a.m. Pre-registration for the 10K race is $5.00 until September 19th. Post entry fee is $7.00.

The One-Mile Fun Run, which is free for all ages, is scheduled for 10 a.m. All participants in the one-mile cross country fun run on the Museum grounds will receive an award. No registration is required for the fun run which will be preceded by warm-up and stretching exercise for all participants.

Included in the entry fee for the 10 Kilometer Race are refreshments after the race, free admission to the Museum for members and their families, and long-sleeve t-shirts to the

first 200 entrants. Gift certificates and prizes from area merchants will be awarded to the winners as well as raffled off to the 10K road race registrants.

Michael Cote of the Greater New Bedford Track Club won the race last year, with a time of 33:02, while Deb Gabriel was the woman's winner in 42:34. Winners in 1984 were Joe McCarthy and Jean McNerney.

The course starts at the Children's Museum, traveling east on Gulf Road, right on Smith Neck Road, right at Rock-O-Dundee, right on Bakerville Road, right on Gulf Road and finishes at the Museum.

There will be six divisions for male and female runners: Junior (13 and under), High School (13-18), Open (19-29), Submaster (30-39), Master (40-49), and Senior (50 and older).

Runners may register at the Museum which is open Tuesday through Saturday from 10 to 5 and Sunday from 1 to 5. Registration forms may also be obtained at local sports stores and mailed to the Museum with the entry fee.

The Bank of New England is sponsoring the race in conjunction with Centre Jewelers, Syntex, Upjohn and

"GO FISH"

"GO FISH" this Saturday, September 20th, from 1 to 4 p.m. at the Children's Museum, South Dartmouth; free with Museum admission.

In conjunction with "Coast Week '86" the Children's Museum will be presenting an exciting afternoon of information, fun and festivities.

The "Go Fish" program is structured to give us all information on fish we value for its food source. On display will be the usual fish we have in our local markets; also unusual fish, with food value that we do not normally find in our markets.

Activities will include Feel-a-Fish: an exhibit where you can actually handle whole fish and learn about the anatomy of a fish; Fish Printing: Bring a pre-washed T-shirt and use an actual fish such as a flounder to do a print on a shirt; Toy-Boat Building: Build a fishing boat and join in with the fun of racing your design.

We will have a display of inedible fish, as not all fish are edible, and much, much more. All events are free with Museum admission.

Call the Museum for additional information at 993-3361.
